Greetings from Highland!

We hope this letter finds you well. We are reaching out to respected business owners such as yourself, in that hopes that you will consider being one of our trusted sponsors for the 2016 Buddy Walk.

The Buddy Walk® was established in 1995 by the National Down Syndrome Society to celebrate Down Syndrome Awareness Month in October and to promote acceptance and inclusion of people with Down syndrome. Since its inception, it has become the world's most widely recognized public awareness program for the Down Syndrome community. Attendance has grown each year and we are expecting over 2000 attendees.

The Buddy Walk helps us raise money for our local programs and promote awareness of Down Syndrome. We would love for you and your business to be a part of our exciting day on Sunday, September 18, 2016. It will be a great opportunity for our community.

Down Syndrome Association of Northwest Indiana & South Chicago is a not-for-profit 501(c) (3) corporation; our Federal Tax Exempt ID No. is 0003712818 and Federal Taxpayer ID No. is 31-1235836.

I have attached sponsorship opportunities for your consideration. Please let me know if you have any questions.

Again, thank you very much for your continued support and generosity. If you need additional information, please call the DSA Office at (219) 838-3656 or e-mail us at [dsa@dsaofnwi.org](mailto:dsa@dsaofnwi.org).

We look forward to working with you on this exciting event to come together and promote Down Syndrome awareness.

Sincerely,

Kristin Taylor

**Down Syndrome  
Association**  
OF NORTHWEST INDIANA  
& SOUTH CHICAGO

## THE DOWN SYNDROME ASSOCIATION OF NORTHWEST INDIANA & SOUTH CHICAGO

is an all-inclusive nonprofit organization that is focused around three main topics: awareness, education, and inclusion. We work in our community to raise awareness, educate, and promote inclusion of people with Down syndrome. Our mission is simple. We want to make our community a better place through education and the enlisting of our citizens to bring services to those in need. We accomplish our mission through our core values. We have been a vital part of our community for a number of years. We were founded to serve a growing segment of our community in need of inaccessible services. We have continued to grow with the help of our donors and volunteers that make our mission possible. Through all these years our purpose still remains the same: bring services to those in need. Our vision is to foster understanding, acceptance and inclusion of persons with Down syndrome that will allow them the greatest opportunities and realize their aspirations to enjoy independent and productive lives. As part of our efforts to better the lives of those individuals with Down syndrome, we provide information to local schools, libraries and community organizations to promote understanding and acceptance of people with disabilities. We also support national research efforts seeking the cause of, and answers to, many of the medical, genetic, behavioral and learning problems associated with Down syndrome.
