

Rauer Plumbing Inc. of Highland, IN is looking to hire an experienced service plumber to help meet an increased demand of both commercial and residential plumbing work.

We are a plumbing company with a large concentration in the field of service plumbing and some remodeling. Applicant should possess, at minimum, an active Indiana Journeyman Plumbing License and will be expected to maintain the active status if hired. Applicant should have strong knowledge and ability in the field of service plumbing as it related to the Indiana Plumbing Code. This includes but is not limited to repair/replacement/maintenance of fixtures, piping, water heaters, pumps, drains, silcocks/hydrants. Backflow certification is a plus (must provide current IDEM card).

Ideal individual would have a positive attitude toward work, be expected to keep a well-organized service truck, arrive on time, be courteous to our customers, and be willing to occasionally work after hours and weekends.

Serious applicants may email their resume and contact information to: rauerplumbinginc@att.net, using the word "[Plumber](#)" in the subject line.
