Hello friends!

We are thrilled to announce the first annual 219 Mom Prom to be held Saturday, March 24th, 2018 at Patrician Banquets in Schererville, IN. The Mom Prom was originated in 2006 by Betsy Crapps. The concept is for women to enjoy a fun night out while raising money for charities. In 2017 there were over 50 Mom Proms throughout the country, raising thousands of dollars for needy charities. For more details, visit the website: www.momprom.org.

The Mom Prom is a wonderful ladies night out for which women wear their old prom gowns, bridesmaid dresses or wedding gowns and dance the night away, have fun and help support a worthy cause. For the first annual 219 Mom Prom we will be choosing different charities to donate too including:

The Mom Prom Help Fund. With this program, Mom Prom will be able to give back to individuals in need throughout the year after the prom who are in immediate need due to illness or other immediate emergencies.

Fairhaven Center for Women. A local non-profit helping to facilitate a safe and faith-focused recovery program for hurting women who have experienced trauma and sexual violence and to bring about the education and awareness to the communities in which they serve.

Local Woman in Need. Each year a new woman will be chosen.

Your suggestion! Do you have a group or family who could be helped?

Here is where we need your help! The Mom Prom depends on contributions and support from businesses and professionals like you. We would be so grateful if you could provide us with items or gift certificates for our silent auction or a monetary donation for our charities.

We ask that you give this heartfelt request consideration and wish to thank you in advance for your generous support.

219 Mom Prom was founded locally by 219 Productions. For donations, reply to your contact who gave you this letter, or call the 219 Productions office at 219-545-4747 for Paul or email to Paul@219-Productions.com.

Many thanks for your support.
