HIGHLAND POLICE DEPARTMENT

3315 RIDGE ROAD
HIGHLAND, IN 46322-2097
(219) 838-3184

PETER T. HOJNICKI, CHIEF OF POLICE

The Highland Police Department is starting a new program where Highland residents and businesses can voluntarily register their video surveillance systems with our police department. After the information is registered and confirmed with our department, it will be put into our database. Therefore, if a crime is committed in a particular area, officers will be able to check our map of registered cameras and we can see if there are any nearby cameras that might be of help to our officers and investigators. We will then made contact with that registered resident or business and ask that they check their own surveillance system to see if their cameras might have captured anything that may be of assistance to us.

This is a program that other police departments in the United States have been doing and we feel it is a great tool to have in order to assist our officers and investigators in following up on reported crimes. We want everyone to know that this program is free, voluntary and confidential. Only the Highland Police Department will have access to this database of registered video surveillance systems. We want to reemphasize – we are NOT gaining access to your surveillance system, but we are informing you to check your system should a crime have occurred in your vicinity.

If you are interested in registering your surveillance system with us, please email your name, address, phone number and email address to:

jkoedyker@highland.in.gov. Should you have any questions, please contact Commander John Banasiak at 219-838-3184 or via email at jbanasiak@highland.in.gov.

**“LAST CALL FOR SUMMER”
MAIN SQUARE PARK**

DOWNTOWN HIGHLAND

Saturday August 11, 2018

Time- 1:00 pm- 6:00 pm

Dear Business Owner and Contributor,

This letter is to introduce the Highland Redevelopment Commission’s Main Street Committee as this year’s organizers of the first “Last Call For Summer”.

The Highland Main Street Committee is dedicated to bringing new and exciting events to our town to help promote local businesses as well as to introduce more people to the things the Town of Highland has to offer. This is a brand-new event, aimed at bringing residents and visitors to our town for a fun-filled afternoon, as summer begins to wind down. The event will feature live music, food from Highland restaurants and a beer garden, featuring NW Indiana craft beer.

We organize several events throughout the year. We are looking for sponsors to help offset the costs for this event. The event will be submitted to local media and on posters/flyers that will be distributed to key area businesses.

Your sponsorship dollars will go towards:

1. Advertisement which will include your business name and logo.
2. Police patrols
3. Musical entertainment
4. Equipment, setup and cleanup and insurance costs.

As you may be aware, this type of event requires the support of many people, business owners and organizations to be successful. We are seeking your support by asking you to be a monetary sponsor to help make this grow and become an ongoing event in our community. Sponsorship levels and benefits are outlined on the next page. Thank you for your consideration and your support!
