TCU Back-to-School Supply Collections

Teachers Credit Union is launching a campaign to collect donations of school supplies during the back-to-school season via donation bins in **all TCU Service Centers**.

A large corrugated cardboard bin will be placed in a highly-visible, high-traffic area with information attached outlining the details for the campaign.

The rollout of the bins is unfolding in two phases:

- Central Indiana & New Albany – now through July 20 to correspond with classes resuming around Aug. 1.
- Northern and Northwestern Indiana – July 16-Aug. 9 to correspond with classes resuming around Aug. 15.

Donate School Supplies!

In the

Indianapolis area, TCU is participating within United Way of Central Indiana's **"Indy Backpack Attack"** program. Remaining regions of TCU's statewide footprint local school districts will receive donated supplies.

In line with TCU's vision, mission and roots to partner with communities where we serve, and be a positive force in the support of education – especially financial literacy – we look forward to being an inspiring example for our members by helping thousands of students start the new school year with the tools necessary to help them succeed. We hope you will consider donating into the TCU collection bin nearest you.

Items most needed: Backpacks, colored pencils, hygiene products*, alarm clocks (plug-in), scissors, calculators (basic and scientific), composition notebooks, index cards, erasers, crayons, art/pencil boxes, glue sticks, covered pencil sharpeners, No. 2 pencils, pens, flash drives, pocket folders (solid colors), markers, loose leaf paper, spiral notebooks, headphones, and preschool crayons-paper-pencils.

How Will Social Security Changes Impact Your Retirement?

The Bipartisan Budget Act of 2015 passed quickly and didn't get a lot of attention, but the recent changes could affect the retirement plans of millions of Americans.

You're Invited to a Free Workshop

You've probably heard that there are different ways to file for Social Security benefits. In the past, many retirees chose to "file and suspend" or file restricted applications for spousal benefits in order to maximize their income in retirement.

With the recent legislation, though, both strategies were phased out.

So what do the changes mean to you?

Find out at this free, informational workshop sponsored by LPL Financial. We'll help you make sense of Social Security and explore a variety of topics, including:

- How your payments are calculated;
- Keys to optimizing your benefits;
- When it really does pay to wait;
- How working in retirement can potentially reduce your Social Security income;
- Case studies for married, single, divorced and widowed filers.

Finally, we'll discuss who may still be eligible for certain spousal filing strategies.

Workshop Date

Thursday, August 9, 2018
6:00pm-7:30pm

Location

Highland Parks & Recreation
Lincoln Center
2450 Lincoln St, Highland, IN

This workshop is ideal for anyone between the ages of 55 and 70 who hasn't yet elected Social Security.

Seating is limited, so reserve your spot by calling Debi Zielinski at (219) 301-5030 today.

... the opening to every great fairy tale. The story usually begins with an ordinary day in a beautiful land far, far away. As quickly as the story unfolds, tragedy strikes which renders a life forever changed. A great sadness overtakes the kingdom and the people lose all hope. Until...

What makes the fairy tale inspiring is not the tragedy but the fortitude it takes to rise above.

A spark of hope ignites as new friendships begin. Decisions are made & challenges occur. Sometimes; there are victories. Other times; great failures. We find ourselves cheering as our beloved character muddles through insurmountable odds. Determined now, not only surpass the original tragedy but, to write a whole new story. It's the ending that keeps us coming back.

Fair Haven is Lake County's Rape Crisis Center. Fairytales are not our specialty but HOPE is! Our annual ball honors all survivors of sexual violence who faced tragedy and chose to write a whole new story through healing & recovery. Proceeds from our event will provide direct client services to survivors & support our school education/prevention programs within our community. We believe that education and empowerment are the "magical potion" need to end sexual assault.

Girls and Boys, Moms and Dads are all welcomed to attend. Costumes are encouraged (but not required). We will serve an elaborate brunch buffet (including mimosas for adults), music, dancing, photo booth, face painting, balloon artists & a fairy-tale-themed silent auction. We will have our own "Fairy Dust Salon" open throughout the afternoon offering: up do's, tiaras and a sprinkle of fairy dust. Princesses from our most beloved fairy tales will also be in attendance.

We are searching all the land looking for local community sponsors to make this special event a reality! When local businesses support local programs, something magical happens! There are many ways to participate as you will see on the following pages. Feel free to contact us with any questions.

HIGHLAND POLICE DEPARTMENT

3315 RIDGE ROAD
HIGHLAND, IN 46322-2097
(219) 838-3184

PETER T. HOJNICKI, CHIEF OF POLICE

The Highland Police Department is starting a new program where Highland residents and businesses can voluntarily register their video surveillance systems with our police department. After the information is registered and confirmed with our department, it will be put into our database. Therefore, if a crime is committed in a particular area, officers will be able to check our map of registered cameras and we can see if there are any nearby cameras that might be of help to our officers and investigators. We will then made contact with that registered resident or business and ask that they check their own surveillance system to see if their cameras might have captured anything that may be of assistance to us.

This is a program that other police departments in the United States have been doing and we feel it is a great tool to have in order to assist our officers and investigators in following up on reported crimes. We want everyone to know that this program is free, voluntary and confidential. Only the Highland Police Department will have access to this database of registered video surveillance systems. We want to reemphasize – we are NOT gaining access to your surveillance system, but we are informing you to check your system should a crime have occurred in your vicinity.

If you are interested in registering your surveillance system with us, please email your name, address, phone number and email address to:

jkoedyker@highland.in.gov. Should you have any questions, please contact Commander John Banasiak at 219-838-3184 or via email at jbanasiak@highland.in.gov.
