HIGHLAND POLICE DEPARTMENT

3315 RIDGE ROAD
HIGHLAND, IN 46322-2097
(219) 838-3184

PETER T. HOJNICKI, CHIEF OF POLICE

Press Release

Over the last few weeks, the Highland Police Department has taken police reports from various businesses that have had employees who have had their personal property stolen while at work. These thefts have occurred when the business has had various repairmen inside the business working in either the storage/utility room areas or employee breakroom areas of the businesses. Those repairmen have then had access to areas that the employees store their purses or other valuables and these items have been stolen. The Highland Police Department strongly urges our businesses and those employees to secure their valuables while at work and to try and keep a watchful eye on those persons doing work inside your places of business. As always, a quality security system including video cameras is always suggested for any business or residence.
