To all Friends, Families and Staff Members of Respite Care Services, Inc..

We will be hosting our 3rd Annual Quarter Auction on Sunday, October 14, 2018 at Villa Cesare – 900 Eagle Ridge Drive, Schererville, IN. If you have never been to a Quarter Auction, you should come out and see for yourself what a great time it is. You can win lots of wonderful prizes for only \$.25 up to \$1.00. It's all about the luck of the draw!

We are hoping that this year's Auction will be our biggest and best fundraiser yet. In order to make this happen, we need your help. We want to pre-sell the tickets this year to make sure we have enough room for everyone who wants to attend. I have attached an order form and am asking that anyone who wants to attend, please buy your tickets prior to the event. We will be selling tickets at the door, but this will make our headcounts a little more manageable.

Also, we are hoping to have table sponsorships this year. If you or someone you know would like to purchase a table of 10 tickets, we have 2 different options for you. The regular table sponsorship will give you 10 paddles and lunch for only \$90.00 (that's a savings of \$10.00). The Gold Table Sponsorship will give you 10 paddles and lunch along with \$100.00 in bidding chips for only \$180.00 (that's a savings of \$20.00). We will also include your name or business as a Sponsor in our brochures that will be placed at all tables.

We have enclosed an order form for the tickets along with a flyer of the Event. If you would like to pre-order your ticket, please return the form back to the Respite Care Services Office. Once we receive this form and payment, we will send you your tickets for the Event.

Please help us make this our best fundraiser of the year! We look forward to seeing everyone there!!

Please return the Ticket Order Form back to us no later than **October 1st, 2018**. Thanks for your continued support of Respite Care Services, Inc.

PETER T. HOJNICKI, CHIEF OF POLICE

The Highland Police Department is starting a new program where Highland residents and businesses can voluntarily register their video surveillance systems with our police department. After the information is registered and confirmed with our department, it will be put into our database. Therefore, if a crime is committed in a particular area, officers will be able to check our map of registered cameras and we can see if there are any nearby cameras that might be of help to our officers and investigators. We will then made contact with that registered resident or business and ask that they check their own surveillance system to see if their cameras might have captured anything that may be of assistance to us.

This is a program that other police departments in the United States have been doing and we feel it is a great tool to have in order to assist our officers and investigators in following up on reported crimes. We want everyone to know that this program is free, voluntary and confidential. Only the Highland Police Department will have access to this database of registered video surveillance systems. We want to reemphasize – we are NOT gaining access to your surveillance system, but we are informing you to check your system should a crime have occurred in your vicinity.

If you are interested in registering your surveillance system with us, please email your name, address, phone number and email address to:

jkoedyker@highland.in.gov. Should you have any questions, please contact Commander John Banasiak at 219-838-3184 or via email at jbanasiak@highland.in.gov.
