To Whom it May Concern:

Calumet Christian School, located in Griffith, Indiana, is an independent, accredited private school whose mission is to serve parents to develop, equip, and train their young people spiritually, academically, socially, and physically through Biblical truth to serve God faithfully in their homes, churches and communities.

We are thrilled with the opportunity to make an educational and spiritual impact for the families of NW Indiana. In order to accomplish strategic growth, we need to raise funds for specific needs. On November 3, 2018, we will be having a **Live Auction** as one of our school's major fundraisers. Our goal is that CCS will continue to grow and reach more families within our community.

We are depending on the kindness of individuals, businesses, and organizations to donate items and services. Calumet Christian School is a tax exempt organization eligible to receive tax deductible contributions under section 501(c)(3) of the Internal Revenue Code (35-1088269). Any donation will be tax deductible and a receipt will be issued.

Your kind consideration of our request to participate in donating for the Live Auction is appreciated and not taken lightly. Should you require further information or like to discuss this in detail, please contact the FUNdraising coordinator at (219) 688-5763 (text or voice) or jconstant@ccspatriots.org. If you would like more information regarding CCS you may visit our website at www.calumetchristian.org.

Thank you in advance for your time and careful consideration!
