2020 CENSUS

A year from today will begin the start of the 2020 Census. The Census is mandated by the U.S. Constitution and all residents are required to participate. By Law, the information provided cannot be shared with anyone, including other federal agencies and law enforcement entities.

Full participation by residents, including a full and accurate count of children living in Griffith and Highland, benefits our towns in many ways.

Census jobs are also available and provide great pay, flexible hours, weekly pay and paid training. Contact Rich Underkofler at richard.l.underkofler@2020census.gov.
